Conditions of Sale.

I will aim to supply the best of stock grown by my brother in Holland and sold by me in the United States and Canada. Bulbs are true to name, healthy and in sound condition and strictly first class.

Complaints must be made within three days after receiving the goods, otherwise they cannot be considered.

Orders from unknown correspondents must be accompanied by cash or satisfactory references.

C. O. D. orders must be accompanied by cash to one-fourth of the value of the goods ordered, to guarantee acceptance.

All goods delivered free of cartage to railroad.

Please order early, before July first, so that they can be packed at our nurseries direct, because the heavy demand for our bulbs closed out our surplus stock last fall a month before the bulb season closed.

5 per cent. can be deducted on all orders amounting to \$5.00 and more when money accompanies the order, till July first; after that date prices are net.

Customers desiring to do so can send their orders, till July first, direct to our nurseries at Sassenheim, Holland, although all orders will get the same attention whether ordered at our American address or our Holland address.

Write for special prices on large quantities.

SPECIAL NOTICE:—We are the only wholesale and retail dealers in the United States who grow our own bulbs in our nursery at Sassenheim, Holland, and for this reason we are able to give our customers the benefit of the middle dealer's profits. Bulbs and roots in this catalogue are strictly first-class; no inferior or second grade goods sold.
